Over Dawn's shoulder, Victoria stands before a white wall.
Dawn stand behind a camera on a tripod.

DAWN
Okay, the shot is **perfect**.

VICTORIA
Thanks for doing this, babe. I know
it's a Saturday in June but **really**,
I appreciate it. I owe you.

DAWN
You got it, Vic.

Victoria takes a beat to get ready.

Dawn is biting her tongue.

VICTORIA
What is it? Are you okay, babe?

DAWN
Honey, I don't know, this character
seems extremely **dangerous**.

VICTORIA
Extremely Dangerous? How?

DAWN
You've **never** acted before and I'm
worried as an untrained actor, you
won't be able to handle playing
this character.

VICTORIA
What? What do you mean?

Dawn looks around and leans in.

DAWN
I'm worried **she's** going to start
playing **you**.

A shiver runs down Victoria's spine.

VICTORIA
I don't think that's how it works,
Dawn.

DAWN
Oh really? Are you a licensed
psychologist? I didn't think so.

Victoria looks around and swallows.

VICTORIA
No but I also have never heard of
that happening, right?

DAWN
Oh it can happen, trust me...Big
time and fast.

Victoria puts her hands on her hips.

VICTORIA
Not to me it won't. Nope. In
control of my instrument.

DAWN
Well just so it's said: 'end
scene'? Means end scene. You don't
keep playing her. Got it?

Victoria waves her off.

VICTORIA
Got it. One hundred percent. Don't
you worry bout a thing.

DAWN
Rolling.

VICTORIA
Victoria Mirabella auditioning for
Winona.

Close up we see Victoria take a deep breathe and close her
eyes.

VICTORIA
Don't you see I'm becoming someone
great, Charlotte!!! Why are you
trying to **destroy** me!?

DAWN
(cold read)
Because you're turning into a
monster!

VICTORIA
Don't bite the hand that feeds **you**,
Charlotte. It doesn't **suit** you... and
it's not good for your **teeth**.

DAWN
But Winona. Don't you remember how
happy we were before all this?
(MORE)

DAWN (CONT'D)

Don't you remember San Juan? Or the Keys?

WINONA

Charlotte, you need to wake up. We've been asleep but now we are awake and we're never going back.

DAWN

I feel like I don't know you anymore.

WINONA

If you don't know me now you **never** did.

Victoria looks mad.

DAWN

End Scene.

Victoria cracks a smile like Winona.

WINONA

You were right. You were **so** right. And it feels **so** good.

DAWN

Oh god **no**, Victoria! My Love!

WINONA

(PA Voice Impression)

For tonight's performance and eternity Victoria will be played by **me: Winona.**

DAWN

Victoria, snap out of it, you play **yourself**, you do not get played. Do you hear me, babe?

WINONA

Shhh....Shhhhhh....shhhh. **Quiet.**
On. Set.

Winona starts to circle her. Dawn circles back around the camera.

DAWN

She's a character Victoria, you are still in control. You play her! Not the other way around! Let go, Vic!

WINONA

Consider this a **new** interpretation
on the **old** Victoria. A reboot.

DAWN

Honey, please, I loved you the way
you were.

WINONA

The way she was playing it wasn't
taking her anywhere. I will take
her to the top. Now either record
the lines as Charlotte and **help** me
or **leave**, you idiot.

They land opposite their starting position. Dawn holds her
forehead.

DAWN

I knew you should have taken an
acting class first. I knew you
weren't ready. You've become too
dangerous. You're a monster.

WINONA

So you choose to bite the hand
that's meant to feed you, Dawn? It
doesn't suit you.

DAWN

We were happy before acting,
Victoria. Don't you **remember**? Don't
you remember Las Vegas? **Rio**?

Winona puts her foot down.

WINONA

Wake up, Dawn, we're never going
back to that!! Ever!!! Get used to
the new and improved Victoria.
Recast and Box Office **Gold**.

Dawn is stilted.

DAWN

You're nothing like Victoria.
You're a completely different
person. I don't know you at all.

WINONA

You've **never** known me, idiot!!!

Dawn gulps.

WINONA

Get out of here, Dawn. You only slow me down. Leave and **never** return.

DAWN

I'm not leaving you in **this** state. I **love** you.

WINONA

You only loved me when I **wasn't** great. When I was struggling, when I was someone for you to comfort. Be gone. I'll record the lines as Charlotte.

Dawn has a glimmer in her eyes like she likes this idea.

DAWN

Fine, have it your way, **Winona**.

WINONA

I'm Winona **playing** Victoria. Got it?!

Dawn makes for the door. Dawn turns over her shoulder.

DAWN

Call me when you're finished?

WINONA

Get **out**, witch.

Dawn leaves.

Winona paces.

WINONA

Amateur. Freaking amateur. Don't you see I'm becoming someone great!!! Why are you trying to destroy me!?

WINONA

Don't you see, I'm becoming someone great!? Why are you trying to destroy me?

She coughs.

WINONA

Don't you see I'm becoming someone great!!!

She takes out her phone and starts recording

She steps back in front of the frame with the script. She'll now be reading as Charlotte.

CHARLOTTE

But...you're turning into...a
monster!

Beat.

CHARLOTTE

But...Winona. Don't you remember how happy we were before all this? Don't you remember San Juan? Or the keys?

Beat.

CHARLOTTE

I **feel**...like I **don't know** you
anymore.

She sobs.

Audition ends. She is VICTORIA. She is in a haze. POV she looks around, she' doesn't remember anything.

VICTORIA

Dawn? Where are you? Dawn?

We hear some laughing. She looks around.

She hears laughing again and she looks around.

She doesn't realize it's coming from inside her head.

She shakes her head to clear it out and and heads for the bathroom.

INT. BATHROOM

With the sink on, steam rising, she splashes water on her face and pats it dry.

She hears the laughing again.

We hear

WINONA

Time for another take.

Victoria looks up.

VICTORIA

You.

In the mirror is Winona.

WINONA

Me. You're **greatest** creation.
Someone who can play you all the
time. Someone who can take you to
the top. Someone to make you great.
Someone to do the things you won't
do. Say the things the you won't
say. Someone strong enough to get
rid of that **idiot**, Dawn.

Victoria turns around. She thinks and hears the dialogue from
earlier.

She turns back around.

VICTORIA

You yelled at Dawn. You told her to
leave. You're a monster.

WINONA

Don't bite the hand that will feed
you Victoria.

VICTORIA

I was **happy** before you.

WINONA

Were you? Is that why you wanted a
new career? Is that why you wanted
to try acting? Because you were **so**
happy with who you were? You **wanted**
to be recast as something more
capable.

VICTORIA

I **like** myself.

WINONA

You've never **known** yourself! Stop
lying, you coward! You're a liar!!!

VICTORIA

No. You don't play me, I play you.

WINONA

No Victoria, **now**? I play you. Trust
me. We'll go to the tippy top.

VICTORIA
I play you. I control you.

WINONA
I play you.

VICTORIA
No.

WINONA
Yes.

VICTORIA
No.

WINONA
Yes. Yes. Yes.

Victoria is wobbling.

WINONA
That's it, let me drive a while.
You relax while I take you to
Glory.

Victoria starts to fade.

INT. APARTMENT - EARLIER

This is from the opening scene just from a different angle.

DAWN
Oh it can happen, trust me. Big
time and fast.

VICTORIA
Not to me it won't. Nope. In control of my instrument.

DAWN
Well just so it's said: 'end
scene'? Means end scene. You don't
keep playing her. Got it?

INT. BATHROOM

WINONA
Yes. Yes.....Yes!!!! Now starring,
HEreeeeees----

VICTORIA
END!!!! SCENE!!!!

The reflection goes back to normal.

She turns back off the faucet.

VICTORIA
I play the character. The character
does not play me.

She goes back in to the audition station.

She presses record.

VICTORIA
I play the character. The character
does not play me.

She presses play on her recording device.

VICTORIA
Victoria Mirabella playing the part
of Winona.

She looks up.

VICTORIA
Don't you see I'm becoming someone
great!? Why are you trying to
destroy me?

We hear the recording.

VICTORIA
(recording)
Because you're turning into a
monster.

Outside, Dawn, who has been pacing, gets a call.

DAWN
Victoria?

CUT TO BLACK:

The End.
