Gets offer to write

Accepts

Writer's block

Sitting at computer

The computer begins to write: "ext. Park night".

She stands up.

" near the entrance on the ground a blue key appears".

She goes to the park and nothing is there.

Wtf She says.

She goes home and there's like twenty pages.

He submits it.

They love it.

More!

He opens it up.

He tries to write

It deletes

"you shouldn't have done that" as a character GHOST WRITER

Who are you?

You know my name

Ghost writer.

Yes.

...

I'm sorry for trying to write over you.

...

He writes an action line where Ghost writer is sorry.

GHOST WRITER  
That's not how this works.

ME  
How does it work?

GHOST WRITER  
I write. You take credit.

ME  
But--

GHOST WRITER  
I write.

He refuses to do interivews. Only written interviews.

He is becoming the ghost writer.

ME  
Take my place.

GHOST WRITER  
What?

He goes where?

The park at night he's in the blue world with the blue key.  
Oh god. Oh god.

Do we see the second half of this? Do we know whats int he  
pages?
